Abstract of the Telugu petition on pp 1-2 ante address
to the Minister.

The existing Sub-Registry office at Sandur has now jurisdiction over ²³10 villages only. It appears that ^{it will be} ~~there is a~~
~~no~~ proposed to attach these village to the Kudligi Sub-Registry office and abolish the Sub-Registry office at Sandur as there is not much work in the Sandur office and that as the expenditure is more than the income. We represent that the jurisdiction of all other departments is the entire taluk it is surprising to see that the jurisdiction of the registration sub-district is only ¹³ten villages of the Sandur fika only and that the villages of Chorapur and Thornagallu fikas have not been included in its jurisdiction. The public of the villages of these two fikas have to go to Sandur regarding their work so far as other departments are concerned and will have to go to Hospet or Kudligi reg for registration work Sandur is connected by Bus service with all the villages. We therefore request that all the villages of Sandur taluk may be attached to the Sub-Registry office ~~at~~ Sandur and retain the Sub-Registry office ~~at~~ Kudligi

REGISTRATION DEPARTMENT.

From

Inspector-General of Registration,
Madras.

To

The Secretary to Government,
Revenue Department,
Fort St. George, Madras.

No.91/52 Off dated 12-1-1953.

Sir,

Sub: Registration Department (Bellary District)
Sandur Sub-Registry Office, Alteration in juris-
diction.

Ref: Memo.No.95021-U/52-1, Revenue, dated 8-12-1952.

The erstwhile Sandur State was constituted into a separate revenue taluk adding to it the two firkas of Thornagal and Choranur of Hospet and Kudligi Taluks respectively. The jurisdiction of the sub registry office at Sandur which was opened on 1-8-50 is confined only to Sandur Firka and does not extend to the firkas Thornagal and Choranur. In their petition to Government (copy of which is forwarded with the memo. cited above) the ryots of Sandur taluk request that the two firkas referred to may also be added to the registration sub district of Sandur.

not put up
On receipt of G.O.Ms.No.2073, Public (Political-A) dated 4-5-50 directing the constitution of Sandur taluk, the question of transferring the villages lying in the two firkas of Thornagal and Choranur to Sandur sub district was considered. But the proposal had to be dropped as the Collector reported that only the residents of eight villages out of 56 villages lying in the two firkas were agreeable to the proposed transfer.

B
The matter is again taken up for consideration on the representation of the ryots of the two firkas requesting the transfer of their villages to Sandur sub district. The office is also not self-supporting and the need for extending the jurisdiction of the office is therefore found necessary. Taking all these into consideration I have already instructed the Registrar of Bellary to meet the District Collector in person and with the assistance of the Revenue Department send up proposals for the transfer of as many villages as possible to the sub district of Sandur from Hospet and Kudligi sub districts with a view to make the office self-supporting and to provide convenience to the registering public. On receipt of the Registrar's report, I shall submit necessary draft notification for approval.

No. 91/52-Off., dated 22nd April, 1953.

Sir,

Subject:- Registration Department - Bellary District -
Sub-Registry Office, Sandur - Alteration in
jurisdiction.

Refce:- Memorandum No. 95021-U/52-3, Revenue, dated
18-3-1953.

p 42 to

p 7 ante

In Memorandum No. 95021-U-52-1, Revenue, dated 2-12-1952, Government, called for my remarks on a petition dated 23-9-1952 from the ryots of Sandur Taluk requesting the extension of the jurisdiction of Sub-Registry Office, Sandur, to the Chorapur and Thoranagal firkas, with a view to make that office a permanent one. The District Registrar, Bellary, who, as reported by me in my letter No. 91/52-Off., dated 12-1-1953, has been asked to submit proposals for transferring as many villages as possible to Sandur Sub-District, examined the question and reported that 15 villages in Chorapur firka attached to Kudligi Sub-district and 15 villages in Thoranagal firka of which 10 are attached to Hospet Sub-district and 5 to Bellary Sub-district, might be transferred to Sandur Sub-district, since such a transfer would contribute to the convenience of the registering public of those villages. The matter was referred to the Collector of Bellary. The Assistant Collector, Hospet, has stated that the village officers and respectable residents of the above 15 villages of Chorapur Firka have agreed to the transfer and that as regards Thoranagal firka, the villagers are against the change, their reasons being that their villages are far away from Sandur and that transport facilities are not available. Holding that the grounds adduced by the dissenting villagers cannot be accepted, the Assistant Collector has recommended that of the 30 villages proposed by the District Registrar, all the 15 villages of Chorapur firka, and 10 villages in the Thoranagal firka the distances of which from Sandur are less than their distances from their present Registration Office at Hospet, may be attached to Sub-Registry Office, Sandur, for administrative reasons and that the question of further enlarging the jurisdiction of Sub-Registry Office, Sandur may be considered after 3 years. The Collector of Bellary while endorsing the Assistant Collector's recommendations, says that the matter may be deferred, pending the formation of the Andhra State. I agree with the Collector and submit that proposals for altering the jurisdiction of the above office need not be considered now.

p 3 of (H)

In this connection, I invite a reference to G.O. Ms. No. 2105, Revenue, dated 19-7-1952, according sanction for the retention of the staff of the above Sub-Registry Office for a period of one year from 1-8-1952. Proposals for continuing the same for a further period of one year from 1-8-1953 will be submitted to Government in due course.

Special reasons for transfer.

The registering public of the villages mentioned in pages 1 to 3 represent that their villages are situate in the newly formed taluk of Sandur and that they will be generally going to Sandur, their Taluk headquarters for some purpose or other. They have to go to Kudligi and Hospet exclusively for the purpose of registration of their documents and they therefore desire that these villages may be transferred to the registration sub-district of Sandur.

Though some of the villages are nearer to their present headquarters than to Sandur, the Collector has recommended their transfer to Sandur for administrative reasons. The transfer of the villages does not affect the work of the relieved offices so as to involve any readjustment of clerical strength. So the transfer of the villages may be approved.

Please see the petition from the ryots of Sandur Taluk in Bellary district on pp 1-2 CF (an English translation is on pp 5 CF) and the report of the I.G. on p.7 CF.

2. In their petition on pp 1-2 CF, the residents of Sandur taluk have stated that they ^{request that the} Sandur Sub-Registry Office was proposed to for closure as it was not a self supporting one and they have requested that the Office should not be closed and that the objection from the Choraman and Tornagal firkas of the Taluk may be brought within the jurisdiction of the Sandur Sub-Registry office to make it self supporting. Consequent on the merger of the Sandur State the I.G. of Registration proposed in 1949 the abolition of the State Registration office in Sandur and introduction of the itinerating system of registration of documents. Later on it was considered that all the amenities which the state Capital had prior to merger should be continued lest the public should feel discontented at the loss of the amenities as a result of merger. The I.G. of Registration accordingly proposed the constitution of a new ~~sa~~ registration subdistrict of Sandur and it was sanctioned with effect from 1.8.1950. It

was even then expected to function with a deficit income but and that in about a year it would be a self supporting one. But in 1951, the I.G. of Regn stated that there was ~~prospect of the~~ any no improvement in the revenue of the sub district. However in view of A on p.1 ante the restriction of the Sub. Govt have been sanctioning the retention of the sub district year after year the I.G. of Regn has stated that even prior to the receipt of the petition he had taken up the question of extending the jurisdiction of the Sub district in order to make the Sub Registry office self supporting and had asked the Dt. Registrar to submit proposals in this regard and that he would submit the necessary draft notification in the matter. Presumably the ryots have mistaken the action taken by the Dt. Registrar for the extension of the jurisdiction of the sub district as a measure towards the closure of the Sub-Registry office at Sandan. Action may be taken on receipt of the draft notification from the I.G. ~~no action is called for on the petition on p.1-2 CP~~

The earlier minute "A" on p 3 note approved may also be suitably amended into "the proposal may be deferred." That will make the order-book self-sufficient for the purpose contemplated by C.O. - viz giving produced in Court.

Then see the legal note at 16

 to the notification suggested by legal
 may be accepted in this Sept.

2 The notification submitted by the I. G.
 says that the alteration in jurisdiction will
 come into effect from 1.10.53. The I. G. &
 originally recommended that the question
 of altering the jurisdiction may be delayed
 pending formation of the Andhra State. It was
 however ordered in circulation that the ^{proposal} ~~question~~
 should be ~~not be taken up now~~ to give
 effect to new state. ~~It was only intended to keep~~
~~for the Andhra State to come into existence~~
 The I. G. may require sometime at least a
 month to give effect to the change in
 jurisdiction. The date from which the
 alteration in jurisdiction may ^{therefore be} ~~come into effect~~
 from 1.10.53 as suggested by I. G. i.e.
 the date from which the Andhra State
 will come into existence.

3 The presumption expressed by legal
 at x on p 6 ante is correct. The
 draft order ~~at~~ below may state.
